

1000V Communication Power Supply Rack Distributor

From simple desktop units to sophisticated rack mount battery management systems, we have a complete line of products ready to ship out of our warehouse in Kansas City, Missouri.

Providing reliable and cost effective power distribution, the Basic PDU offers IEC outlet grips, tool-less installation in server racks, color-coded outlet sections and a high operating temperature.

The PCH series are high power output Switching DC power supply with rated power or 600W to 5KW. The PCH series adopts ZVZCS PWM technology, which greatly reduces switching ...

APC Basic Rack PDUs provide reliable rack power distribution via a single input with multiple output receptacles and distributes power from low amperage single phase circuits to higher-power 3-phase ...

TDK-Lambda is a global supplier of rack mount and hot swap AC-DC power supplies in a broad range of power levels to fit many applications.

Shop Rack Power Distribution Panels & Enclosures of best brands including Tripp Lite, Middle Atlantic, Kendall Howard, Quest, Firefold, Techlogix Networkx.

Explore rack-mounted, vertical, horizontal, intelligent, and surge-protected PDUs for server racks. Perfect for IT and data centers, ensure reliable power management today!

The DCDC-24-48 is a 2U rack mount DC-to-DC converter power supply that is capable of 1000 watts of power. It has isolated inputs and outputs, so it can be used in positive ground installations.

These modules are used in distributed power architectures to efficiently step-down (buck) or step-up (boost) voltages close to the load for improved efficiency.

A rackmount UPS with line interactive topology, the UltraTech 0E-1000VASNM provides battery backup and surge protection for servers, network devices, and telecom installations without an active power ...
