

Longi photovoltaic panel 505w parameters

Introducing the LONGi 505W Monofacial Solar Panel with 1400mm cables, a cutting-edge solution for efficient solar energy generation. Featuring 132 cells and Hi-MO 5m technology, it delivers superior ...

Longi - LR5-66HPH-505M - Mono SKU: 5000395 MPN: LR5-66HPH-505M Availability: No Longer Available Category: Legacy Power: 505W Colour: Silver / White | Frame / Backsheet Cell Count: 66 ...

The LonGi 505W Solar Panel is engineered for excellence, offering a power output range of 490W to 510W and achieving a remarkable maximum module efficiency of 21.5%.

See the table below for available information we have about LONGi Green Energy Technology Co Ltd LR5-66HPH-505M solar panels. We do our best to provide information such as the LR5-66HPH ...

Gain insight into the electrical characteristics, shedding light on voltage parameters, current outputs, and power ratings, which form the backbone of the panel's operational capabilities.

LONGi Solar Technology Co., Ltd. Solar Panel Series Hi-Mo 5 LR5-66HPH 480-505M. Detailed profile including pictures, certification details and manufacturer PDF

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

Featuring N-type HPDC (High-Efficiency Passivated Back Contact) half-cell technology, this panel delivers up to 505 W of peak power with 22.5% module efficiency and robust bifacial energy capture.

The product includes advanced technology components designed for high efficiency, durability, and user-friendly operation as detailed in the technical parameters.

The LONGi 505W Monofacial Solar Panel (LR5-66HPH-505M) offers high-efficiency energy conversion, designed for durability and optimal performance. Ideal for maximizing power output, this panel is ...
