

New Zealand Auckland environmentally friendly solar system manufacturer

Who is New Zealand solar power?

New Zealand Solar Power is a NZ owned and operated company that provides solar power solutions to Kiwi homes and businesses. Our approach is simple: Determine whether solar is right for our clients and design a tailored solar power solution to meet their needs. 2025 © New Zealand Solar Power Ltd |All rights reserved. New Zealand Solar Power Ltd.

Why should you buy a solar power system in Auckland?

Perfect for Auckland homeowners who want to stay connected to the grid while enjoying significant savings on energy bills. Ideal for those seeking energy independence and backup power during outages, while still maintaining a grid connection.

Are solar power systems a good investment in New Zealand?

We discuss our clients' requirements and provide a detailed Energy Management Solution to meet their needs. Solar power systems are a fantastic investment, wherever you are in New Zealand. For a start, your electricity bills will reduce, plus you will be protected from fluctuations in electricity prices.
