OverviewHistorySize of the North Korean economyEconomic sectorsOrganization and managementLaborExternal tradeExternal linksJapan colonized Korea, officially annexing it on 22 August 1910 as the Province of Choson. Japan encouraged an inflow of Japanese capital to Korea's less developed economy. A large majority of major firms in Korea became Japanese owned and operated as a result, with key positions reserved for Japanese. Koreans were permitted to work in menial roles under harsh labor conditions. Most of Korea's coal, ...
