Jackery Explorer 1000 v2 Portable Power Station 2. Jackery Portable Power Station Explorer 300 3. BLUETTI Solar Generator AC180 4. BLUETTI Solar Generator Elite 200 V2

How do I choose a portable power station?

A portable power station's maximum output tells you the total watts it can produce, which determines what you can and can't power with it. Look for a power station that can handle the combined wattage of the electronics you plan to plug into it.

Why do you need a portable power station?

Why Trust Us? Portable power stations are handy for backup power during outages, off-grid electricity for an RV, or simply charging your laptop and phone while working remotely. They're effectively large bundles of rechargeable lithium-ion batteries, which provide a quiet, exhaust-free alternative to noisy gas-powered portable generators.
